EXHIBIT B
PAYROLL/ADMINISTRATIVE PROCEDURES

An Employer that establishes the Plan shall determine whether its employees will be permitted to make (i) pre-tax deferrals only or (ii) pre-tax deferrals and Roth contributions.

City of Monroe elects to offer eligible employees one of the following options:

_____ Pre-tax deferrals only

OR

Pre-tax deferrals and Roth contributions

The effective date shall be a date no sooner than 30-days after Ohio DC receives the executed Exhibit B and the Employer receives their first pre-billing invoice for pre-tax deferrals and/or Roth contributions.

Deductions

A. **Pre-tax Deferrals.** The Employer will ensure that federal and state income taxes for each participating employee are calculated after excluding the amount being deferred under the Plan. Please note that pre-tax deferrals are not excluded from local income tax calculations.

B. **Roth Contributions.** The Employer will ensure that Roth contributions are after-tax contributions. This means the Employer includes the amount of the Roth contributions in the employee's gross income at the time the employee would have otherwise received the amount in cash if the employee had not made the election. Roth contributions are subject to all applicable wage-withholding requirements.

The Employer may not make any such contractual changes until the effective date specified on the Payroll Reduction Change Report, except to prevent deferrals/contributions from exceeding the maximum annual limits.

Reporting

The Employer may utilize one of the following methods for reporting deferral/contribution amounts.

A. **A pre-billing invoice.** The Program will create an invoice(s) for the Employer generally 14 days before each pay date, listing the name, last four digits of the employee's social security number, and dollar amount of the deferral/contribution expected from each employee. Pre-tax deferrals and Roth contributions will be invoiced separately. The employer can obtain these invoices from the Ohio Business Gateway website. The Employer will note any changes on the invoices before reporting these amounts.

B. **A computer file.** The use of computer files is recommended for all Employers who will have more than 100 participants in the Plan. Pre-tax deferrals and Roth contributions must be in separate files. This confidential data must be transmitted using the secure express upload feature of the Ohio Business Gateway at business.ohio.gov. Computer files must be formatted as indicated below.

<u>Field Name</u>	<u>Data Type</u>	<u>Start/End Pos.</u>		<u>Contents</u>
Transaction Type	X(3)	1	3	'114'
Employer ID	X(6)	4	9	Ohio DC will assign this number

Social Security5	9(5)	18	22	First 5 digits of social security number
Social Security4	9(4)	23	26	Last 4 digits of social security number
Termination Code	X(2)	27	28	Does participant still work for you? Yes = SPACES No = 'TT'
Filler	X(8)	29	36	Spaces
Termination Date*	9(8)	37	44	Date employee was terminated or zeros for current employees
Transaction Amount**	9(7)	45	51	Deferral/contribution amount 9999999
Name	X(25)	52	76	Participant name
Filler	X(4)	77	80	Spaces

* All dates must use CCYYMMDD format (20190101)

** The transaction amount must not include the decimal point. Example, a \$125.00 deferral amount would be sent as 0012500.

Fields are **NOT** packed.

For regular deferrals (pre-tax), the file must be named **defcomp.txt**.

For Roth contributions (post-tax), the file must be named **roth_defcomp.txt**

Please note that regular deferrals and Roth contributions are on separate bills and cannot be combined in the same file

If you need further assistance, please call 614-466-7245.

C. **An acceptable Employer generated listing.** The Employer may generate their own listing which will identify the name, last four digits of the employee's social security number, and dollar amount of the individual deferrals/contributions. The format must be (by pay frequency) in ascending alphabetic or social security number order with totals for each frequency. Pre-tax deferrals and Roth contributions must be reported separately. The list must contain Employer name, Employer number, and pay date. Do not list reductions by department or full social security numbers.

Changes

Ohio DC will create a Payroll Change Report(s) showing all employees who are newly enrolled or changing the amount of their deferrals/contributions. This report will be available to the Employer generally 14 days before the effective pay date on the Ohio Deferred

Compensation secure section of the Ohio Business Gateway website, business.ohio.gov. Separate Payroll Change Reports will be produced for pre-tax deferrals and Roth contributions.

Terminating Employees

For any participants who have terminated employment, the Employer will note on each invoice, file, or listing, the date of termination, last four digits of the social security number, and name of the employee(s).

Remittance

For each pay date, the Employer will forward payment for the gross amount of deferrals/contributions with supporting documentation. The Employer is responsible for the correct and timely remittance of deferrals/contributions. The Employer may use one of the following methods for remittance:

ACH debit: Use the Ohio Business Gateway at business.ohio.gov. (***preferred method***)

ACH credit: The Program will provide banking information to Employers using this method.

Check mailed to:

Ohio Deferred Compensation
257 East Town Street, Suite 400
Columbus, Ohio 43215-4623

The payment amount must be exactly equal to the total amount of deferrals/contributions on the detailed report.

Refunds

If deferrals/contributions are erroneously made on behalf of a participant and the money must be returned to that participant, the Employer may not use amounts to be refunded to the participant as an offset or credit against the gross amount of deferrals/contributions for the next pay period. The Employer must notify the Program in writing of such errors and the Board will return the money to the Employer. For pre-tax deferrals the Employer must then refund the money to the employee after withholding all appropriate taxes, etc., since the refund will not have been previously included as taxable income to that employee.

Annual Limits

Consistent with IRS regulations, the Employer is responsible for ensuring that any combination of the participant's annual pre-tax deferrals and Roth contributions do not exceed the lesser of (i) the limits allowed by the Internal Revenue Code or (ii) 100% of includible compensation. Participants age 50 and older or in their three years prior to Normal Retirement Age may be eligible for higher annual limits. The Program will annually provide notice to the Employer regarding such limits. The Program will be careful to enroll the participant for deferral/contributions amounts that will not exceed the IRS's maximum limits. If events occur (requested changes to deferral/contribution amounts are not made timely, a year with 27 bi-weekly pay periods, etc.) whereby those limits could be exceeded, the Program will work with the participant and Employer to adjust deferral/contribution amounts accordingly.

Form W-2

The Employer will be responsible for issuing a correct Form W-2 at year-end, which will identify the gross amount of wages subject to federal and state taxes and the gross amount of wages subject to local taxes. The Employer will list on the participant's Form W-2 the amount of pre-tax deferrals or Roth contributions for the year, as required by the IRS.

Program Withdrawals

The Program will be responsible for overseeing the disbursement of all withdrawals from the Program to the participant or beneficiary(ies) and to discharge on behalf of the Employer all reporting and withholding responsibilities required by Federal and State Regulatory Authorities.

Employer Statements

The Program will provide the Employer with a quarterly statement that will include the total amount received during the quarter and the total value of accounts held on behalf of the employees or beneficiaries.

Note: The Program statements will reflect deferral/contribution activity based on the date received and invested, which may not always coincide or agree with the Employer's records, due to timing of deposits and transfers into and out of individual accounts at the beginning or ending of the statement period.

Confidentiality

The Employer shall maintain the confidentiality of individual participants and related account information.

It is the Program's policy to limit the display of social security numbers. Billing and change reports will only display the last four digits of each participant's social security number. If the Employer generates their own listing, the Employer will be responsible for this confidential information while in transit. It is important that the display of social security numbers is limited to the last four digits.

Other Deferred Compensation Plans

If the Employer offers deferred compensation programs in addition to the Program as permitted under Section 148.06 of the Ohio Revised Code, then the Employer is responsible for assuring that participants do not exceed the maximum annual limits under IRC Section 457(b).
